

# Galvanized Ground Rod – Introducing Nominal 5/8" Diameter

CONNECT AND PROTECT

nVent ERICO leads the industry in ground rods, providing you with a solution that you can depend on. Now you can choose from our expanded offering of the galvanized ground rod that includes nominal 5/8" diameters, ideal for light commercial and residential applications. nVent ERICO has the experts and experience to select the ideal grounding and bonding solution for your application.

- Meets ANSI®/NEMA® GR1
- Zinc-coated exteriors are hot-dip galvanized for solid protection against corrosion, in accordance with ASTM® specification A123
- Surfaces are rigidly inspected to eliminate seams, slivers and other defects

**Nominal Galvanized Ground Rod - 8'**

Part number: 815780

## SINGLE SOURCE FOR GROUND RODS & ACCESSORIES

When using the new nominal 5/8" galvanized ground rod, choose from these approved accessories to complete your solution:

### Ground Rod Clamp, Rod to Conductor, Stainless Steel

- Unique stamped body design will not crack from excessive torque
- Provides a greater surface area contact to allow improved performance of the connector
- Compatible with copper, copper bonded, galvanized, stainless steel, rebar and plain steel ground rods and electrodes

Part number: SP58

### Ground Rod Clamp, U-Bolt, Tinned, One Conductor

- Tinned finish provides a theft-deterrent appearance
- Accepts conductors in both parallel and perpendicular orientations

Part number: GC064, GC065

### Ground Rod Clamp, U-Bolt, Three Conductors

- Ground rod clamp that allows up to three separate conductors to be connected to a ground rod
- Bronze material is a copper alloy with high copper content
- Tinned bronze has theft-deterrent appearance

Part number: GC065TH

### Ground Rod Driver

Part number: EGRD58

- Usable on all types of round ground rods: copper-bonded, galvanized, and stainless steel
- Inserts are interchangeable with standard ground rod driver body
- The driver will not deform the end of the rod, making connection of the ground conductor quick and easy
