

WEBINAR SCHEDULE

NVENT HOFFMAN 2020 WEBINAR SERIES

nVent HOFFMAN will have webinars on a wide variety of subjects to help you become an expert in equipment design. The best part is anyone can participate! Whether you sell our solutions or use them in the field, join us on a regular basis to talk about the hottest topics in equipment design and protection. New this year, we're hosting panel sessions to provide an opportunity to submit questions to a panel of experts about the topics covered. Can't make it? We'll send a recording out afterward. Sign up today!
